## Company Background &

### Supplier Awards Information

We are a family-owned and oriented company with a strong dedication to service and top quality. Our 144,000 square foot facility is located in rural north central Ohio, and serves as our manufacturing and distribution point. We employ roughly 100 people.

Our customers include all top 10 tractor trailer manufacturers in North America, as well as chassis and bus manufacturers and parts distribution.

**CMI** is the youngest company to ever earn Great Dane Trailer's "Valued Vendor Award" for outstanding quality and service to the company's Wayne, Nebraska facility. CMI was presented with the award for calendar years 2001 and 2004.
